

CIRCLE OF SECURITY

At times, all parents feel lost or without a clue about what our child might need from us. The Circle of Security is a visual map of attachment.

The Circle of Security helps Parents and Caregivers to:

- Understand their child's emotional world by learning to read emotional needs
- Support their child's ability to successfully manage emotions
- Enhance the development of their child's self esteem
- Honor the innate wisdom and desire for their child to be secure
